Who are we?

Service Above Self

Men and women who believe in giving back to the community that has enriched their lives. Founded in 1989, the Rotary Club of Santa Rosa Foundation is the charitable arm of the Rotary Club of Santa Rosa - the oldest and largest Rotary Club in Sonoma County. *Because we are almost all Rotary volunteers, 97% of every dollar we receive goes directly to those in need.*

Who do we support?

To date, we have helped the following charities (partial list)

- Bellevue Elementary School
- 6th Street Playhouse
- Martial Arts Youth Institute
- Girl Scouts of Northern California Council
- Jewish Family and Children's Center
- Interfaith Shelter Network
- Anova Center for Education
- Rincon Valley Schools Music Program
- The Redwood Empire Food Bank (purchase of a truck)

- The Land of Imagination Playground at Howarth Park
- A Place to Play soccer fields in West Santa Rosa
- The Emergency Canteen of the Salvation Army
- Roseland University Prep
- "Safe House" with the YWCA

What about education?

Our youth is our priority. Each year we give a dictionary to every third grade student in Santa Rosa - for many, it is the first book they have ever owned.

Our Scholarships

Each year we award scholarships to outstanding students moving on to a college, university, or vocational school.

These are some of our current scholarships:

- The Jack Levar Marketing and Communications Scholarship
- The Stan Lance Leadership Scholarship
- The Larry Bello Vocational Scholarship
- The Joe Dorfman Scholarship
- The Holli Plummer Scholarship
- The Spencer and Shirley Flournoy Engineering Scholarship
- The John E. Brown Veterans Scholarship
- The Scholarship Endowment Fund

What Else?

We also have special funds established by donors, or in the memory of outstanding Rotarians, to support programs in a particular field of interest:

The Drucquer Fund (for battered and abused people)

The Rotary Legends Fund (honoring deceased members of the Rotary Club of Santa Rosa)

The Wes Jamison Agricultural Fund (for agricultural projects at Santa Rosa and Elsie Allen High Schools)
