Howard Tours

Founded in 1948, Howard Tours has been operating tour programs worldwide for over six decades. Thousands of Rotarians have joined us to participate in polio eradication campaigns, wheelchair deliveries, humanitarian missions, and played a critical role in the creation of the West Africa Project Fair by providing an easy, comprehensive travel program for North American participants. Almost 400 people from North America have traveled with us to prior Fairs.

Rotarian Purpose

The West Africa Project Fair (WAPF) was Rotary's first humanitarian project fair in Africa, and is a part of Rotary's Reach Out to Africa initiative. It was created by Rotarians from 15 West African nations to facilitate partnerships and projects that will make a significant contribution to the needs of this continent.

By joining this program, you will work with the local Rotarians to understand how important Rotary is to their communities. You will also have the opportunity to select and support Rotary Foundation projects during the Fair, engage in field work in the local communities, create strong friendships with the West African Rotarians, and participate in hands-on humanitarian and health related field work.

Polio Immunization, Hands-on Work Project, and West Africa Project Fair:

The Togo National Polio Plus Committee confirmed they will conduct a Sub-National Immunization program in Lomé during our stay. Our members will go into the local communities to give out two drops of the polio vaccine.

We will also work with the Togolese Rotarians and community members to engage in a hands on humanitarian project, and will visit a number of humanitarian project sites to witness the work of Rotary and The Rotary Foundation. During these activities, you will have extraordinary experiences, develop a unique insight into the life and challenges in Africa, and be in the safety and care of local Rotarians.

Membership is limited, and will be confirmed, on a first-come, first-served basis. Interest in this tour has been overwhelming. We expect it to sell-out quickly.

Passport, Visa and Health Requirements:

All U.S. citizens are required to have a valid passport and Togo visa. Citizens of other countries will need to determine their respective visa requirements. Although Howard Tours will assist in securing the visa, the cost of obtaining a passport, visa and inoculations are not included in the tour price. It is your responsibility to apply and pay for:

U.S. Passport: Must be valid at least six months after your scheduled return to the U.S.

Togo Visa for all U.S. citizens: An application and information on applying for the visa will be sent to you with the trip confirmation letter and invoice. Allow four weeks to process the visa application.

Inoculations: The Center for Disease Control (<http://www.cdc.gov>) indicates that there are no **required vaccinations**. They recommend that U.S. citizens take precautions against yellow fever, malaria and other diseases. Please consult your physician or travel doctor to determine the precautions appropriate for you.

Special Airfare Note: Tour price does NOT include round trip airfare. This tour is offered to Rotarians throughout the U.S., making it impossible to anticipate and include the necessary flight itineraries. In September, after our group has formed, we will offer all North American members the most appropriate flight options. Alternatively, you are free to purchase your round trip airfare or use frequent flyer mileage.
