

Honoring the Legacy of Colonel John E. Brown USMCR

Colonel John E. Brown, USMCR

It has been seven years since we lost one of the community's finest citizens, Rotarian John Brown.

John's work with the YMCA, Salvation Army, Boys Scouts, Rotary, Sonoma County Museum, Veterans Day Celebration and many other continues to be remembered and appreciated to this day.

As a memorial to John, a military veteran's scholarship was established entitled the **John E. Brown Memorial Veterans Scholarship**. This scholarship is awarded annually to a military veteran entering, continuing or transferring from Santa Rosa Junior College.

As we approach Veterans Day 2018, please consider contributing to "John's Fund" thereby helping a local veteran attend college and improve his or her chances of success in life. Since its inception, seven veterans have been awarded scholarships totaling nearly \$15,000 and the fund has grown to nearly \$60,000.

Please help the Foundation award more scholarships to veterans in larger amounts by making a tax-deductible gift to John's Fund.

Make checks payable to: **Rotary Club of Santa Rosa Foundation Brown Scholarship** and mail to **PO Box 1513, Santa Rosa, Calif. 95402**
