## *About us*

This fund, established in 1990 by former students and friends in honor of Wes Jamison and his commitment to the agricultural community and his extraordinary and life Influencing impact on youth in agriculture.

## *Purpose*

To provide financial support of local FFA members to purchase project animals that will be shown and sold at the Sonoma County Fair.

## *Process to receive a grant*

Applicants complete an application form which is evaluated by Jamison Committee to determine the finalists to be interviewed. The final selection is based on management skills, facilities, leadership, honors/awards, future educational/career plans and standing within their FFA Chapter.

## *Your donations at work*

With your help last year, twenty FFA members were selected to receive merit awards and all completed their project and sold their animals at the 2019 Sonoma County Fair.

The breakdown of species as follows:

Lambs-8, Hogs-7, Goats-4,  
Steers-1, steer will be exhibited  
and sold at the 2020 fair.

## *Thank you for your support!*

The Jamison Merit Award Program has expanded county-wide to include FFA steer projects in 2019-2020. The first recipient to receive the \$1,000 merit award is Emily Maners of Sebastopol-Analy FFA.
