## Sonoma County's Current Status (State Data)

Tier 3: Orange

Unadjusted Case Rate: 2.8

Adjusted Case Rate: 2.5

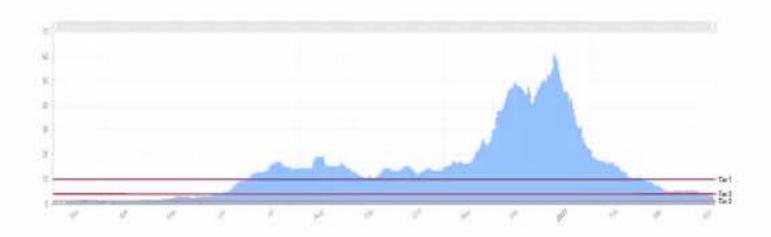

Testing Positivity (Overall): 1%

Testing Positivity (Lowest HPI Quartile): 1.1%

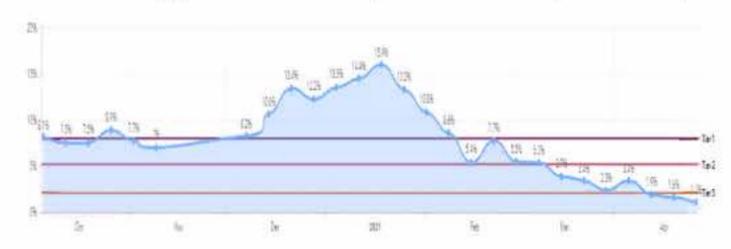

### Trends

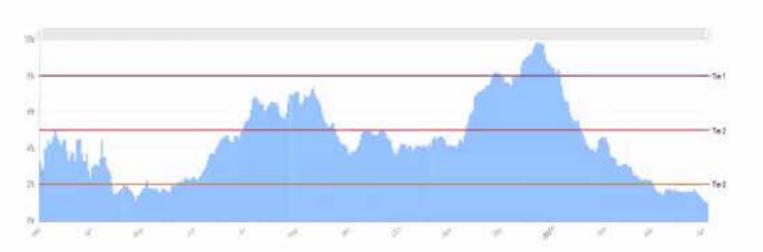

Declining new cases per day

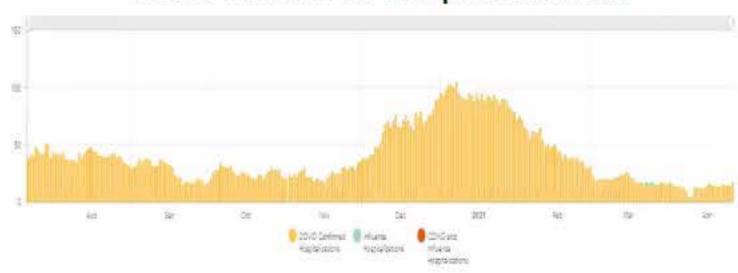

Declining HPI lowest quartile test positivity

Declining overall test positivity

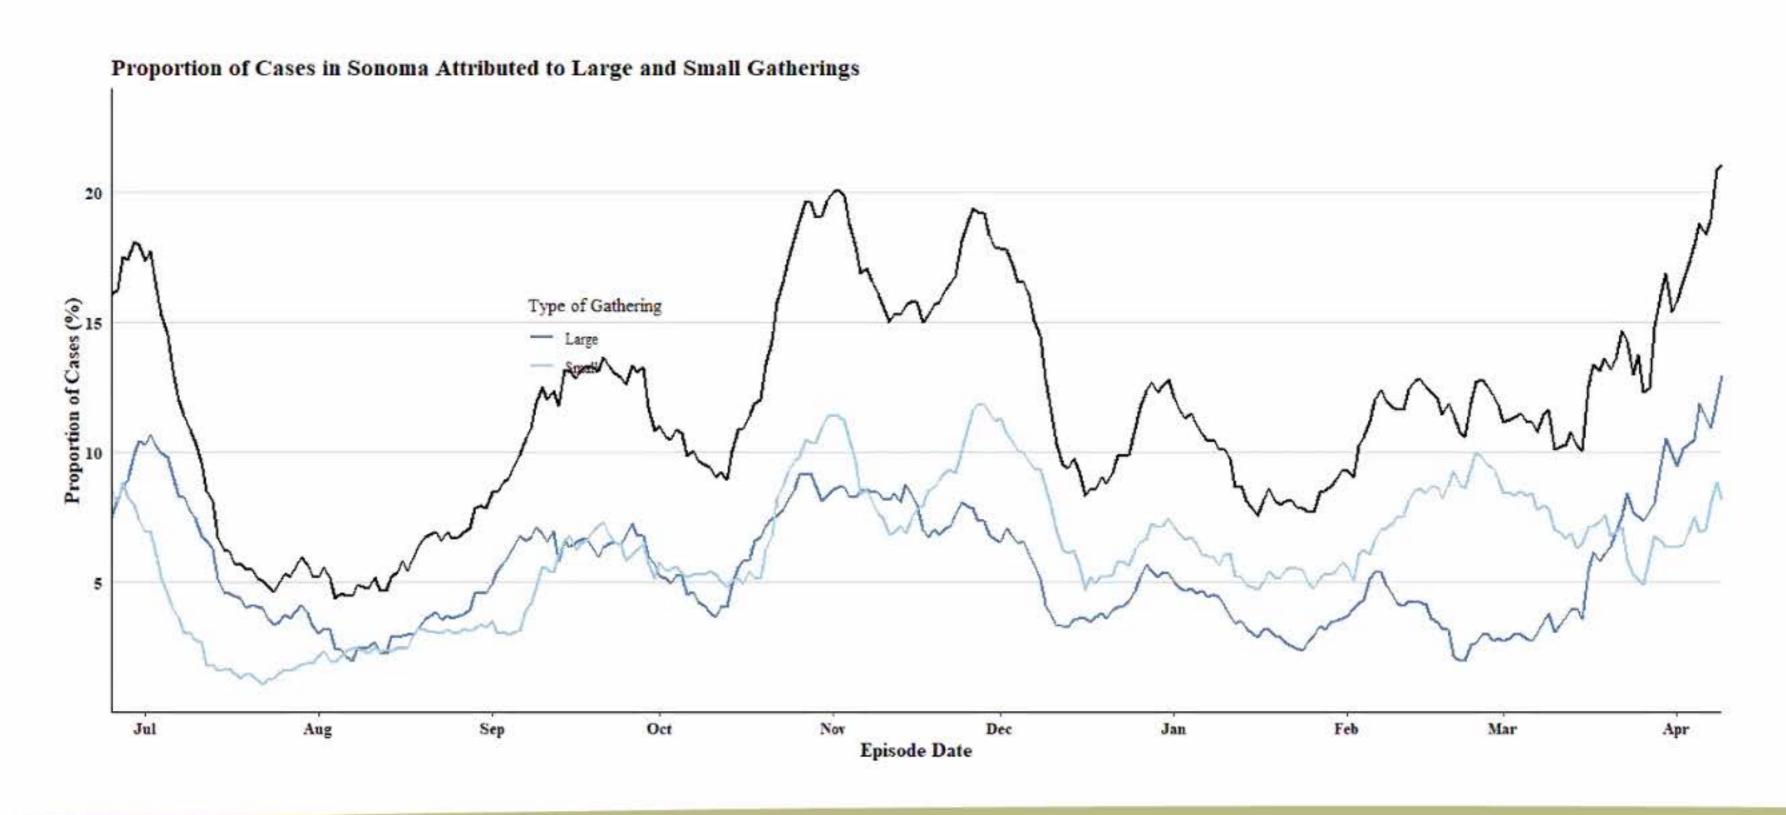

Fewer COVID-19 hospitalizations

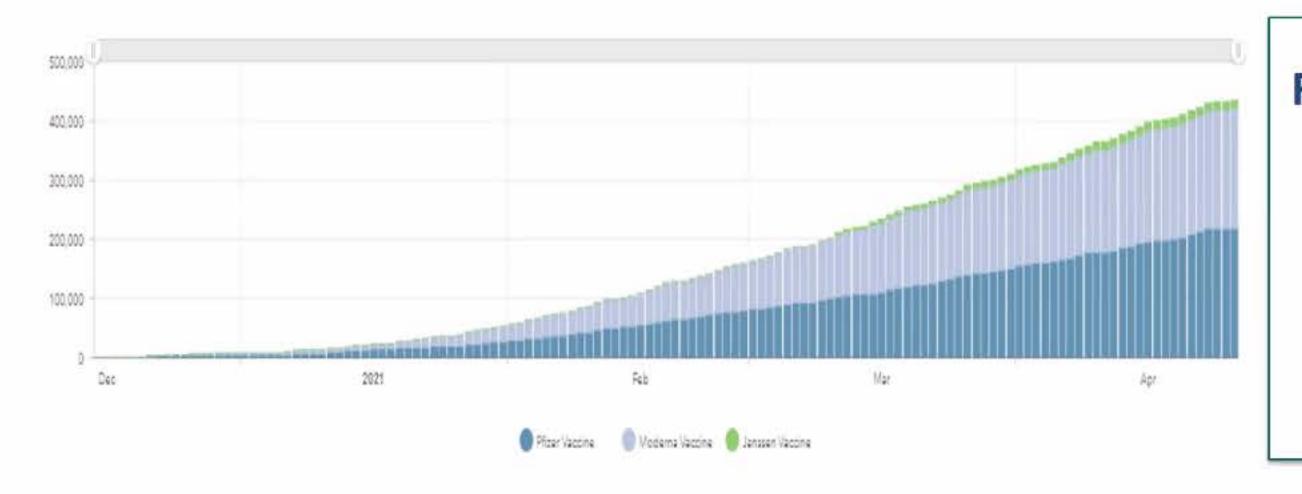

While trends are promising, testing and mitigation measures remain important

## Gathering Trends

#### Vaccine Administration

433,009 (as of 04/27)

Residents with first dose:
78,215
Residents fully
vaccinated with two
doses:
183,452

# Proportion of Sonoma County Population (Aged 16+) Vaccinated

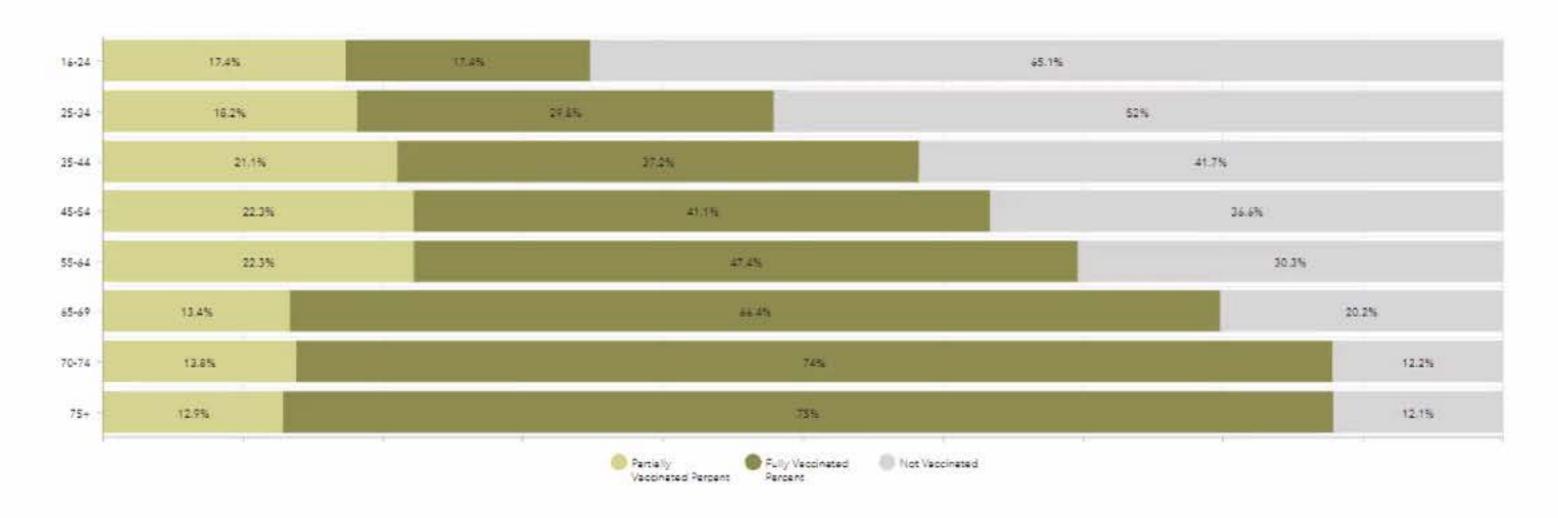

64% of Sonoma County residents aged 16+ have received at least one dose

## Race/Ethnicity of Residents Vaccinated

Race/ethnicity	Individuals with 1st dose	Individuals fully vaccinated with two doses	Proportion of vaccine recipients	Percent population
Hispanic/Latino	17,738	26,325	19%	27.3%
White, non-Hispanic	41,949	124,335	73%	62.9%
Asian, non-Hispanic	3,494	6,760	4%	4.3%
Black/African-American, non-Hispanic	964	2,016	1%	1.6%
Multi-racial, non-Hispanic	568	1,638	1%	2.9%
American Indian/Alaskan Native, non- Hispanic	688	746	1%	0.7%
Native Hawaiian and other Pacific Islander, non-Hispanic	315	592	0%	0.3%
Other, non-Hispanic	6,326	15,765	3 <del>4.4</del> /	<del></del>
Unknown	5,748	5,275	- <del></del>	**

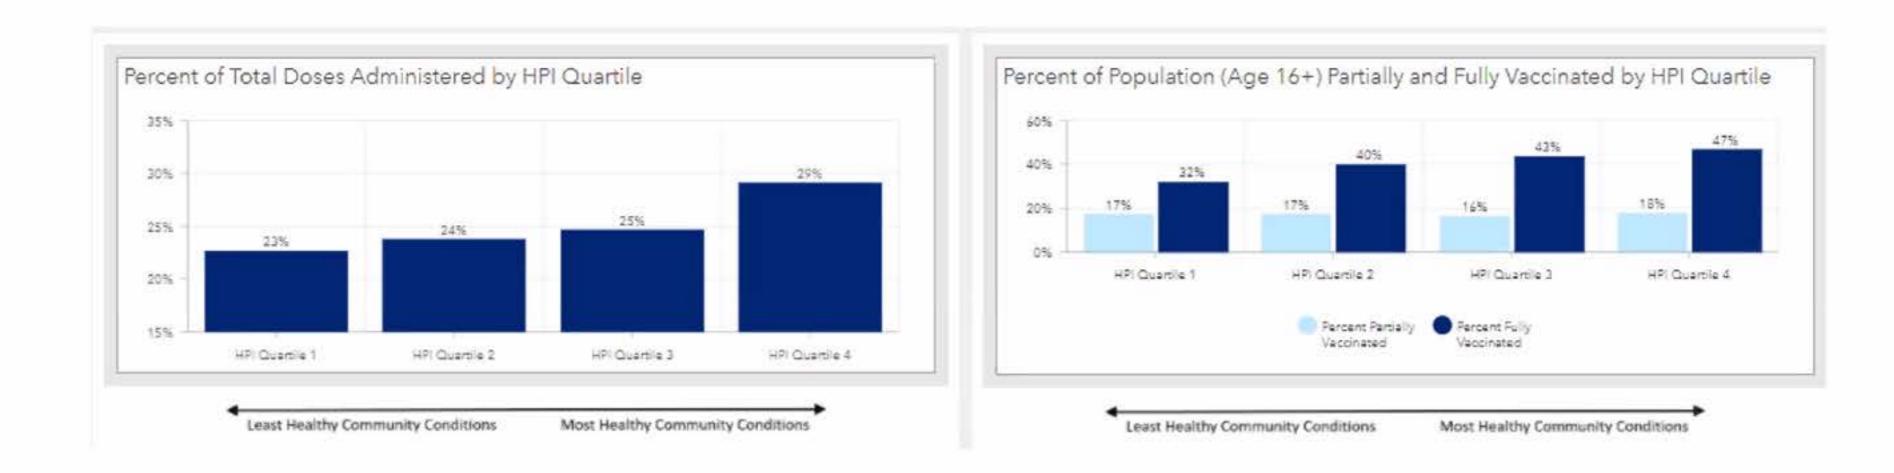

# Proportion of Each Age Group Vaccinated

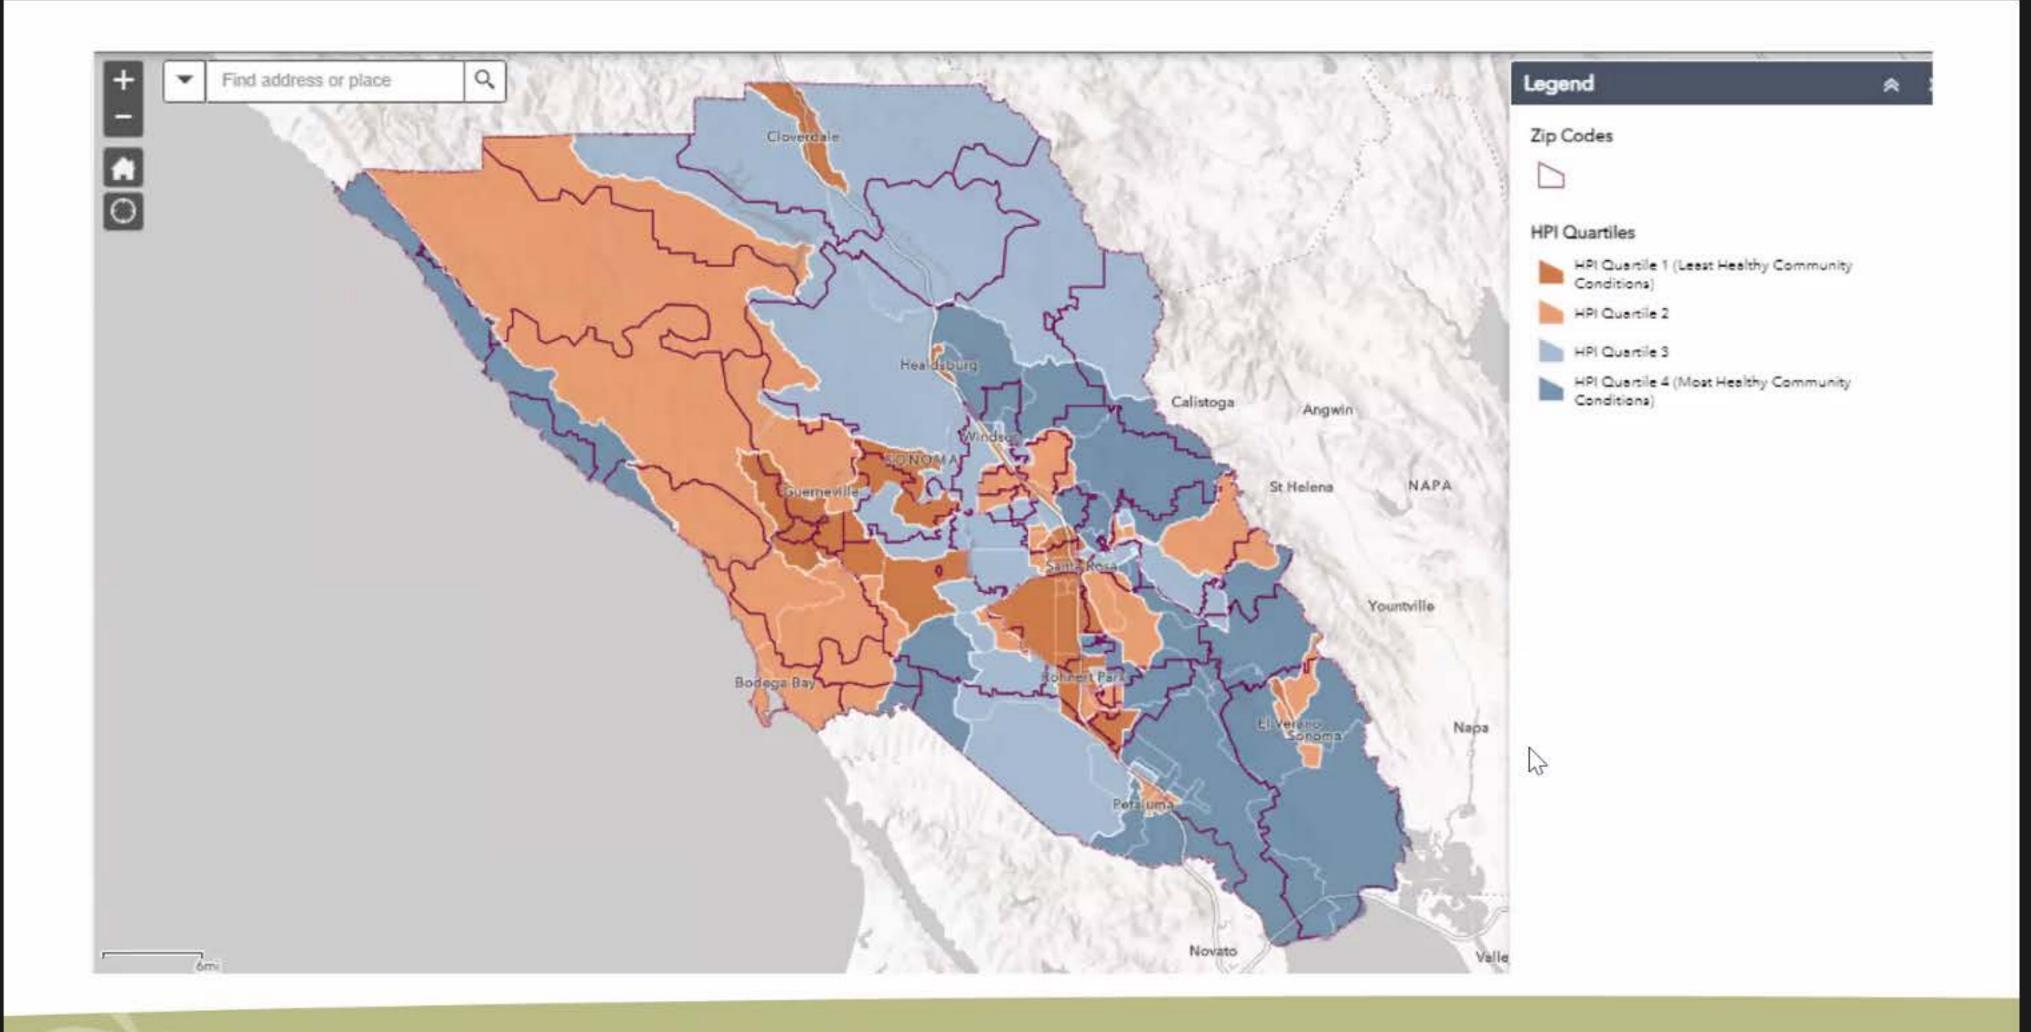

- Most Sonoma County residents aged 65+ are now fully vaccinated
- Proportion of individuals who are at least partially vaccinated:
  - 88% of 75+ year olds
  - 88% of 70-74 year olds

- 80% of 65-69 year olds
- 70% of 55-64 year olds

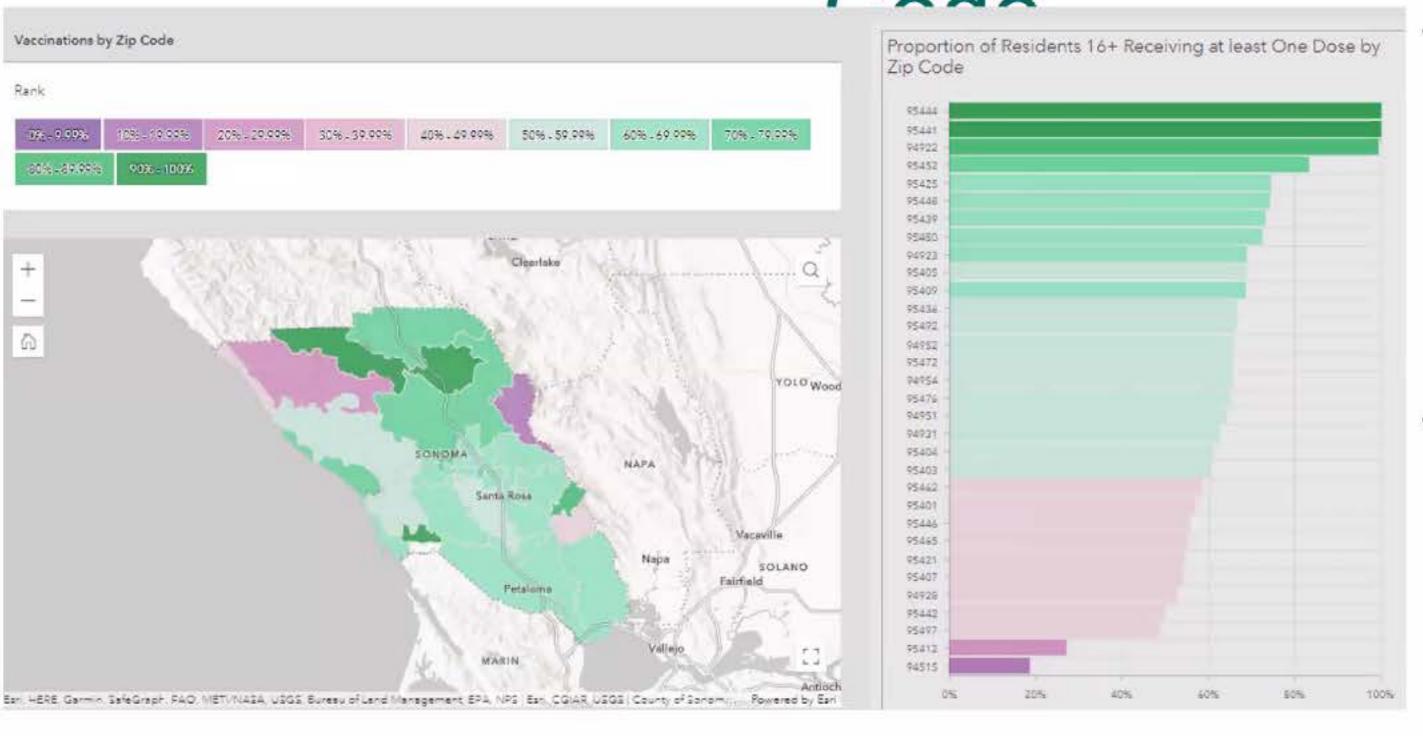

## Vaccine Equity Measures

- Currently, 23% of vaccine doses have been administered to residents in the lowest quartile of the Healthy Places Index in which residents have access to the fewest resources
- 49% of residents in this quartile have received at least one dose (17% partially vaccinated; 32% fully vaccinated)

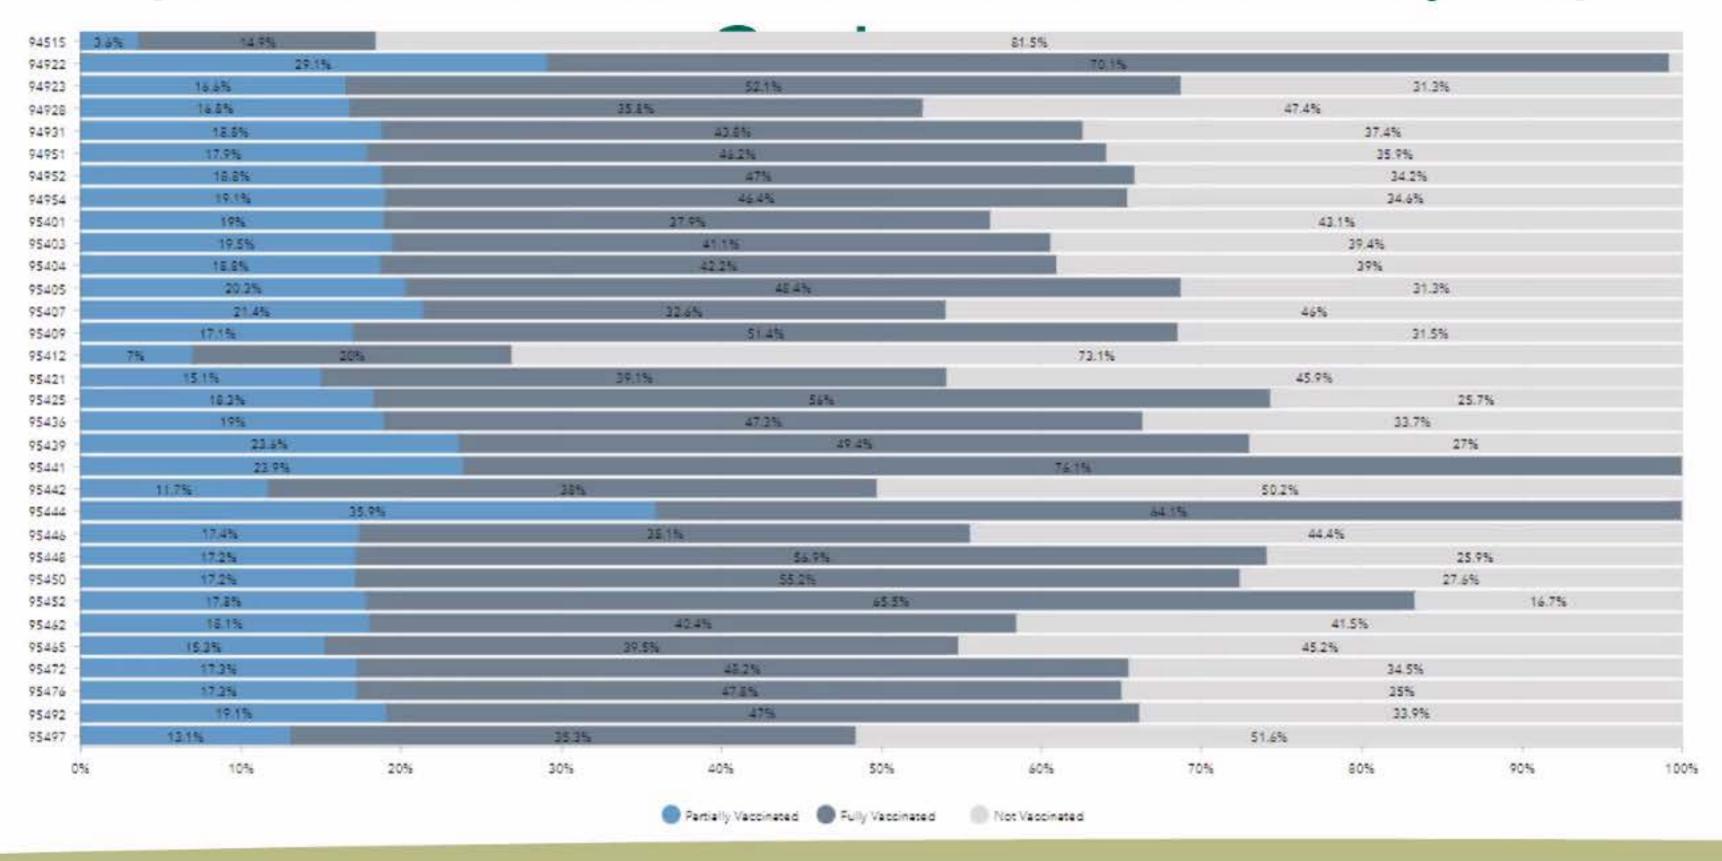

# Proportion Residents Vaccinated by Zip

- Most vaccinated zip codes:
  - 95444 (Graton, population 490)
  - 95441 (Geyserville, population 1,579)
  - 94922 (Bodega, population 254)
  - 95452 (Kenwood, population 1,110)
  - 95448 (Cloverdale, population 8,919)
- Least vaccinated zip codes
  - 94928 (Rohnert Park, population 38,543)
  - 95442 (Glen Ellen, population 3,515)
    - 95497 (The Sea Ranch, population 1,111)
    - 94515 (Calistoga, population 498)
    - 95412 (Annapolis, population 516)

# Proportion Residents Vaccinated by Zip

#### Senior Residential Care Facilities Survey: Key Findings

- Survey of 189 SNF/RCFE facilities (83% response rate)
  - 95% of residents have been fully vaccinated
    - 5% of residents declined due to concerns about side effects, allergic reaction, distrust
      of vaccines, or being on hospice care
  - 85% of <u>staff</u> have been fully vaccinated, overall
    - Rates varied by facility
      - In half of facilities, 100% of staff were vaccinated
      - In 15% of facilities, over 30% of staff declined vaccination
        - » 1/3 of these facilities had experienced COVID-19 outbreaks previously
    - Top reasons for staff declination included: concerns about safety approval processes, concerns about side effects, reproductive concerns, distrust of vaccines

# 2021 Vaccine Hesitancy Survey of Staff in Health and Caregiving Settings

#### • Who are we surveying?

- Using an electronic survey (in Spanish and English) to survey staff in the following fields:
  - In-Home Supportive Services (IHSS)
  - Skilled Nursing Facilities
  - Residential Care Facilities for the Elderly (RCFE)
  - Hospital/Clinics
- Data collection launched in early April and will continue throughout the month

#### Why these individuals?

- Health care and caregiving staff have been vaccine eligible the longest and had concrete opportunities to make choices around whether or not to get vaccinated
- Their responses will help inform Public Health outreach/messaging and future vaccine hesitancy data collection locally with other residents

### Paid Advertising

#### Radio

- Ongoing weekly PSA: Latino 95.5 & Exitos
- Ongoing weekly Spanish Q&A: KBBF, Exitos, La Mejor/Radio Lazer
- Eight-week targeted PSA campaign: KZST, KFGY, KSRO, KXTS, KJOR, KSRT, KRRS, KBBF

#### **Print & Digital**

Print & digital: Sonoma Index-Tribune,
 Petaluma Argus-Courier, Sonoma County Gazette,
 La Prensa
 Mobile phone campaign: Facebook & Instagram ads

#### Targeted Outreach

- Partnership with CURA Project
- Contracts with community-based organizations for distribution of door hangers, information at convenience stores, PPE, etc.

## Vaccine Communications/Outreach Campaign

- The Health Equity Marketing and Outreach campaign continues with a focus on vaccinations and addressing vaccine hesitancy. These communications include:
  - Streamed Community Briefings on Facebook and YouTube and Public service announcements on Spanish & English radio.
  - Mobile marketing campaign targeting cell-phone users in key
     Census tracts through June 2021
  - Digital and print ads in local newspapers.
  - Public service ads in partnership with CHI COVID Vaccination
     Communications Group, a joint committee involving local
     health care providers and the County.
  - Communications outreach to support existing outreach efforts including vaccination clinics organizaed in partnership with trusted community-based organizations.
